

Greeters / Ushers / Coffee Makers

Greeters: Circulate in the vestibule and greet all people as they arrive. Open the C.E. door for anyone requiring assistance. **Please turn on the** Christ candle and **turn it off** after the service. On Food Bank Sunday (2nd of the month) please set out the collection basket.

Please be sure that all doors are locked.

Ushers: Please allow yourself enough time when you arrive to **greet/usher people** as they arrive, give anyone who is a newcomer or visitor to church a “Welcome” card. In the summer months when the front door is being used, one usher will act as a greeter at that door.

Collect the offering. Assist the financial committee with putting the collection in bank deposit bag at end of Church service.

Note: In winter, only the C.E. door is used – all ushers and greeters will work at that door.

Coffee Makers: **Make coffee and juice** before church. Set out cups, cream and sugar. You are also responsible for **cleanup**. Coffee makers are not responsible for supplying baking.
